

Reading/Checking Out an Electronic Book from Follett Shelf

To read an electronic book on Follett Shelf from the Destiny Online Catalog follow the directions below:

- Open up Destiny from the media center website and locate the electronic book you are interested in reading.
- On the right you will see a button link that says “Read Online,” click this and it will open the book in the Follett Shelf reader and you can enjoy from there.
- This method works from a desktop, laptop or tablet.

To check out and read electronic books from Follett Shelf from the Destiny Online Catalog follow the directions below:

- Open up Destiny from the media center website and login with your school username and password then locate the electronic book you are interested in reading.
- On the right you will see a button link that says “Check Out,” click this. A red box will appear at the top of the page telling you the due date and giving you instructions on how to read your selection.
- This method works from a desktop or laptop.
- This method has the advantage of allowing you to bookmark your place, highlight text, look up the meaning of words, and adding notes.

To check out, download and read an electronic book from Follett Shelf link on the media center website on your iPad follow the directions below:

- Download the Follett Shelf app from iTunes.
- See Mrs. Rannow to set up a login and password for Follett Shelf.
- Type in the following to complete the URL: ww04802
- Type in your user name and password.
- Click on “Check Out Books” in the upper right and login and checkout the book you are interested in. (This opens the Internet – close when done)
- Reopen the app and you will see the book you have checked out and from here you can download the book on your iPad to read.
- You will have access to bookmark your place, highlight text, look up the meaning of words, and adding notes.
